**Name of journal: World Journal of Gastroenterology**

**ESPS Manuscript NO: 19485**

**Manuscript Type: REVIEW**

**Approach to the endoscopic resection of duodenal lesions**

Jonathan P Gaspar, Edward B Stelow, Andrew Y Wang

### **Abstract**

Duodenal polyps or lesions are uncommonly found on upper endoscopy. Duodenal lesions can be categorized as subepithelial or mucosally-based, and the type of lesion often dictates the work-up and possible therapeutic options. Subepithelial lesions that
