<small>Document Name</small>	<small>Version</small>	<small>Date</small>	November 9, 2018

CERTIFICATION:
In respect of clinical trials:

1. *The membership of this Research Ethics Board complies with the membership requirements for Research Ethics Boards defined in Division 5 of the Food and Drug Regulations.*
2. *The Research Ethics Board carries out its functions in a manner consistent with Good Clinical Practices.*
3. *This Research Ethics Board has reviewed and approved the clinical trial protocol and informed consent form for the trial which is to be conducted by the qualified investigator named above at the specified clinical trial site. This approval and the views of this Research Ethics Board have been documented in writing.*

The amendment(s) for the above-named project has been reviewed by the Chair of the UBC Children's and Women's Research Ethics Board and the accompanying documentation was found to be acceptable on ethical grounds for research involving human subjects.

Approved by one of:

Dr. Marc Levine, Chair Dr. Caron Strahlendorf, Associate Chair
