

## Non-Native Speakers of English Editing Certificate

October 01, 2024

### TO WHOM IT MAY CONCERN

I am writing to inform you about Manuscript NO: 98543, titled "Statins decrease the risk of hepatocellular carcinoma in metabolic dysfunction-associated steatotic liver disease: A systematic review and meta-analysis." This revised manuscript, which is currently under consideration for publication in your esteemed journal, has been thoroughly reviewed and proofread by me. As a native English speaker and Clinical Gastroenterology Fellow, I have ensured that the language and presentation meet the highest standards of academic writing (Grade A).

Should you need any further details or have questions regarding the content or the proofreading process, please do not hesitate to reach out to me.

Sincerely,

Pratik Patel, MD  
Clinical Gastroenterology Fellow, Department of Gastroenterology  
Mather Hospital and Hofstra University Zucker School of Medicine  
Port Jefferson, New York, 11777, USA
