Ms. Rosalía Gómez-Toledano Bargeño, philologist.

INFORM

I revised the manuscript carefully "**Improving nursing care protocols for diabetic patients through a systematic review and meta-analysis of recent years**", which is under consideration for publication in your journal.

Based on my professional experience as a **philologist and English teacher for 37 years**, I certify that **the manuscript meets the quality standards** (language, grammar, punctuation, spelling, and overall style) necessary for publication.

Please do not hesitate to contact me if you have any queries.
