SPECIFIC COMMENTS TO AUTHORS
Abstract  Line no 52 typo Line no 53 No need to reference tables in abstract  Line no 54,44 Kindly rephrase  Line No 75 rephrase Line No 297,298 Did u have any rationale behind the allocation of patients to the group concerned becoz if the allocation was random then the effects of the study could be accepted, since its a retrospective evaluation dont u think the reason for this allocation might be based on a rationale that resulted in the equality of the outcomes observed. If so kindly mention Line no 309 typo
