

12/06/2023

To whom it may concern:

The purpose of this letter is to verify that Zibo Yimore Translation CO. LTD provided the English proofreading services for the following thesis : Effectiveness and safety of traditional Chinese medicine for diabetic retinopathy: A systematic review and network meta-analysis of randomized clinical trials

Author: Hongdian Li, Mingxuan Li, Wenhua Zhang, Shuwen Zhang, Yanbing Gong

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 12/06/2023. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
